Design Guidelines for Printed Beanbag

DINLOGOHER.NO

Dear client,
Please pay attention to the following instructions
and requirements when creating your artwork

Colour profile: **CMYK**

Image minimum resolution: **100-150DPI**

Text and fonts: **All fonts have to be converted to shapes/ outlined**

Sizes: **The standard size is 140 × 180 cm. We provide custom made on request.**

• Leave 5cm safety margin - do not place important content in that space but background should fill the entire area.

• Save the artwork as PDF format.

• Cropmarks and bleedmarks are not required.
